An aerial photograph of a large industrial facility, possibly a factory or warehouse, with a prominent white satellite dish on the roof. The facility has a blue and white color scheme. The surrounding area is a mix of green trees and open land. In the upper right corner, a satellite is shown in space with concentric blue circles representing signal waves. The overall scene is set against a clear blue sky.

GigWiFi

Affordable, flexible broadband for everyone

THE BEST OF BOTH WORLDS

Kacific GigWiFi combines the best of our Gigstarter and Community WiFi plans to help you get the most efficient solution for unlimited high-speed broadband.

Designed for businesses and remote government agencies, GigWiFi allows you to enjoy high-quality broadband while creating a connected workplace for individuals.

GIGWIFI

GigWiFi is a two-for-one service that allows businesses to connect up to seven users with a Gigstarter plan and sell 'WiFi data vouchers' so other nearby businesses or individuals can pay to access high-speed internet from the same site. GigWiFi combines the best of Gigstarter and Community WiFi so you can enjoy the benefits of high-speed internet and unlimited data for less.

- Easy, low-cost installation
- Fully-managed services
- Unlimited monthly data for business plan
- Affordable high-speed internet
